

# New Year, More Hope

Hello Friends,

We are super excited to tell you about what is happening at Nick's Hope in 2022! But before we do, please forgive us for being bold.

Our success in helping our neighbors in need is a direct result of our community members' help. We never would have come this far if it had not been for YOU! Because of you we have nice clothes to distribute to underprivileged families; because of YOU we have been able pay our van insurance bills, cost of gas, storage unit rent and much, much more! Because of YOU, your graciousness and generosity we are asking for your help once again.

Nick's Hope will soon be moving to a physical location! Our new place will house ALL of our operations AND we will be adding a clothing retail thrift store to cover some of our rent, but we will still need more help.

We are an ALL volunteer organization where ALL sale proceeds and donations go Directly to covering our expenses.

As we embark on this next chapter in community service at Nick's Hope, will you join us?

Thank you and God Bless!

## Hear it from our clients

"Nick's Hope has been a blessing to our family of 4. We are a one income family and I am a stay at home mom caring for our special needs child. This wonderful organization has taken the burden off financially to clothe our family. We are very appreciative! Thank you Nick's Hope.. You are a blessing to us."
